### Toe-up Socks

Learn the basics of sock anatomy and sock knitting—from the toe! Experience with knitting in the round is helpful, but no experience with knitting socks is necessary. Instructor: Laura Juliano

### Fireside Sit'n'Knit

Not interested in a formal class but need some time to work on knitting that's already on your needles? This class is geared towards those knitters who need some time to work on UFOs (UnFinished Objects). Experienced knitters will be available to answer any knitting questions and a knitting demo DVD will be shown.
